Program for the Memory-Impaired

with

Theresa Morale, M.H.A., CTRS ©

Every other Tuesday at 2pm, Starting October 25, 2022

Theresa is a certified recreation therapist who has been working with caregivers and people with memory impairments for over 18 years. In her sessions, she uses live music, sensory stimulation and music-making activities to highlight clients' preserved abilities and foster a sense of joy for caregivers and their loved ones.
